

Houston Custom Pools

Smith Custom Pools have been building Award Winning Pools for over 20 years. We have continued to provide our customers with outstanding design, construction methods, education, customer service, and warranty. Sticking to our principles, Smith Custom Pools, have become one of the Premier Pool Designers, Builders, and Remodelers in Houston.

Unique and beautiful creations are what we do best, no two designs are the same. New construction or remodeling of your existing pool, outdoor kitchens, incredible outdoor fireplaces, firepots, gazebos, pergolas, decks, landscaping, very unique fence designs, waterfalls, lighting, water features, and so much more, let us spend time discussing your many options.

About Us

Our Motto is “Every weekend in your back yard is a vacation paradise”. Our team of sales, design, construction, and landscaping experts, can help you bring your visions of your own backyard paradise to reality. We are a family owned business, and take great pride in turning your yard into your own resort, without ever leaving home.

Our delighted and proud customers will let you know, Smith Custom Pools will always care about you, and how we make you feel during and after the project. We would love the opportunity to make you one of our delighted and proud customers.

Our Sister Company, Douglas Smith Custom Homes, has been building and remodeling award winning homes for well over 20 years, and the expertise this brings to Smith Custom Pools is invaluable. We have worked very hard, to bring the most respected and highly trained people, to our team of pool builders. Providing our clients a wealth of information needed to make educated decisions about their unique backyard resorts. Continuing to focus on providing exemplary customer service during the building process and beyond, has provided growth in our business by referrals. And will strive to continue this tradition. Referrals are our best asset. Let us make you one of our next referrals.
